AJMAL NEW FEATURES

SEO

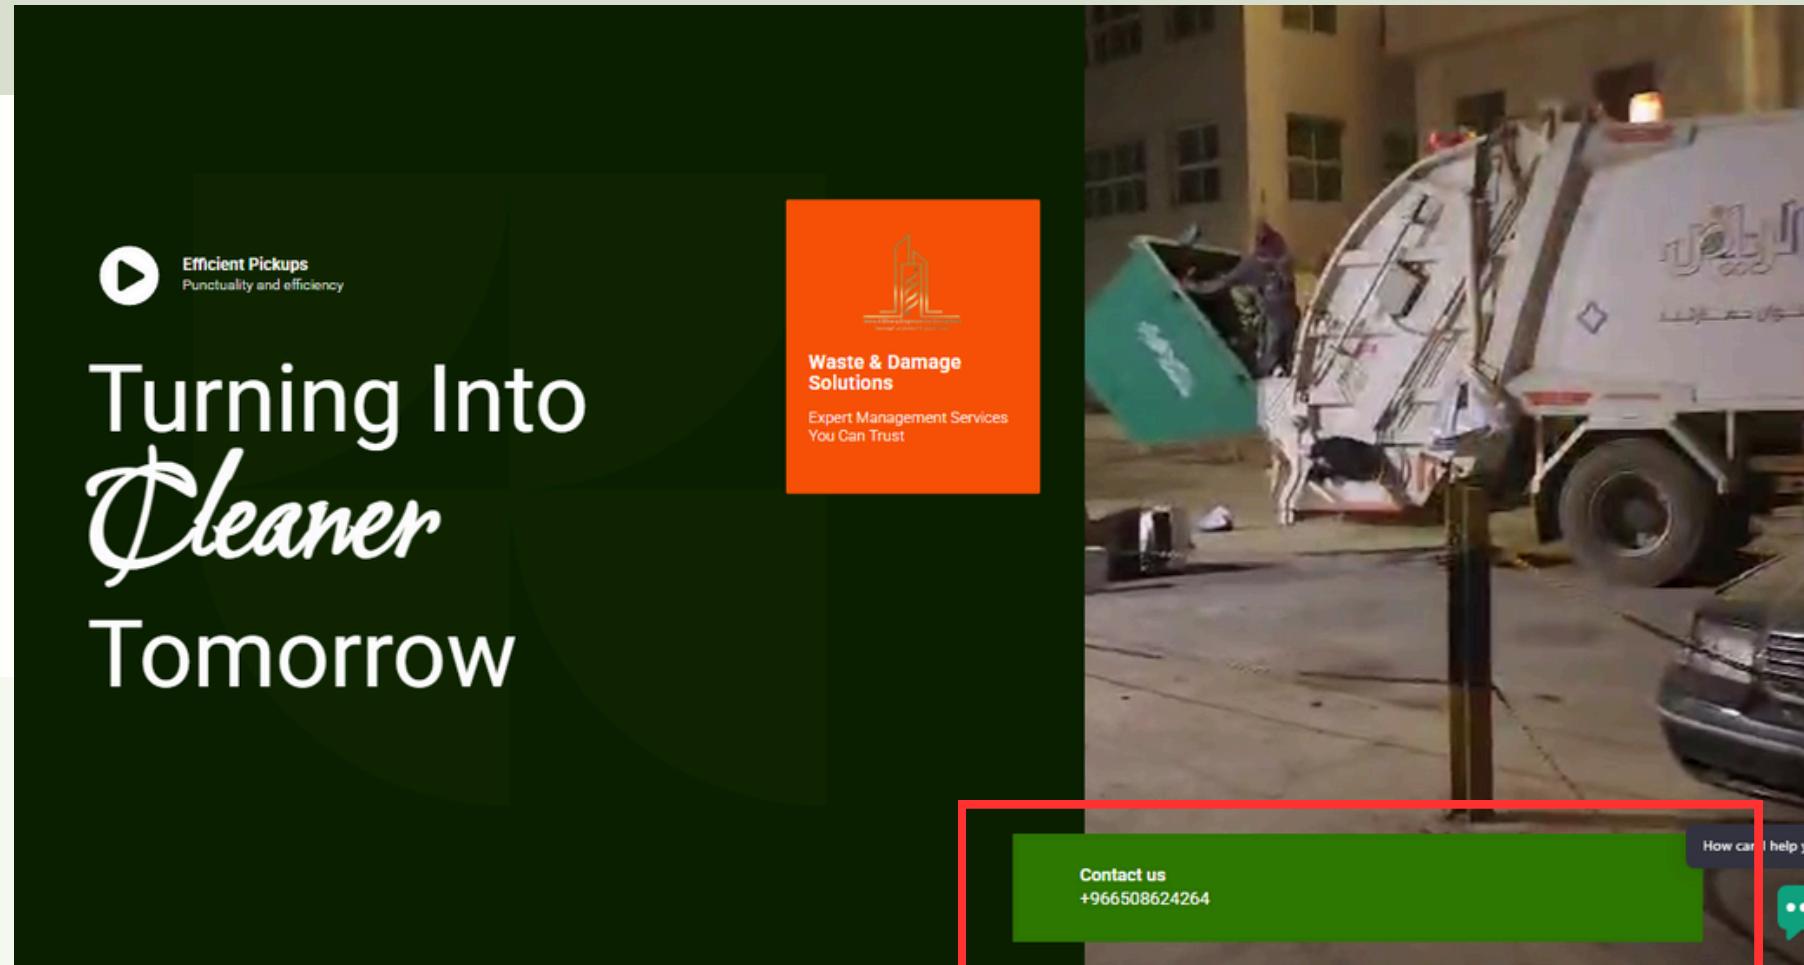

We have enhanced the website to increase clicks and visits on Google, making it more searchable and discoverable by users.

AJMAL NEW FEATURES

The AI bot in the Ajmal Waste Management Website System helps users with waste collection inquiries, schedules pickups, provides recycling tips, sends notifications, and improves customer support through automated responses.

AJMAL NEW FEATURES

A "Contact Us" form has been added, allowing visitors to send inquiries and questions about the Ajmal system, which will be sent to the company email "info@ajmalsa.com".

A Complaint Report Location Tracker has been introduced, complete with message notifications for successful report submissions.

AJMAL NEW FEATURES

The Ajmal Dashboard now includes status notifications for Pending, In Progress, Completed, and Emergency reports, along with counts for each category. A comparison between the Ajmal/Admin Dashboard and the Contractor Dashboard has been established. The Contractor Dashboard has limited access compared to the Admin Dashboard.

AJMAL NEW FEATURES

The screenshot shows the Ajmal SA software interface. At the top, there is a navigation bar with links: Dashboard, Contractors (which is highlighted with a red box), Complaints, Tasks, and Municipality Accounts. Below the navigation bar, there are three status boxes: 'Pending (23)' (yellow background, warning icon), 'In Progress (18)' (blue background, warning icon), and 'Emergency' (grey background, warning icon). The main area is titled 'Contractors > List' and contains a table with the following data:

<input type="checkbox"/>	Company name	Contact person	Phone	Email	Status	Action
<input type="checkbox"/>	Ziemann Group	Shakira King	1-669-219-8316	katlynn.jacobs@dubuque.com	active	<input checked="" type="button"/> Edit
<input type="checkbox"/>	Swaniawski, Mayert and Batz	Mr. Rolando Blanda	+1-848-942-5969	ellen97@herman.com	active	<input checked="" type="button"/> Edit
<input type="checkbox"/>	Crona, Treutel and Lehner	Citlalli Bauch DDS	(773) 595-1677	daltenwerth@dach.com	inactive	<input checked="" type="button"/> Edit
<input type="checkbox"/>	Lesch-Parker	Immanuel Lehner Sr.	603.878.8418	bashirian.carolanne@kihn.biz	active	<input checked="" type="button"/> Edit
<input type="checkbox"/>	Greenfelder, Stroman and Kuvalis	Trevor O'Kon	+1.737.738.5607	dullrich@koss.com	inactive	<input checked="" type="button"/> Edit

At the bottom left, it says 'Showing 1 to 5 of 5 results'. At the bottom right, there is a 'Per page' dropdown set to '10'.

Admins can create, edit, and delete contractor accounts, including details such as Company Name, Contact Person Name, Phone, Email, and Status (Active or Inactive).

Users can view the status of complaints (Pending, In Progress, Completed, or Emergency), along with a unique serial number for each complaint, the date it was created, the name of the person who filed it, their contact number, and email. The actual location of the citizen can also be displayed, and if a complaint is rejected, full details of the report can be viewed.

AJMAL NEW FEATURES

The screenshot shows the Ajmal SA software interface. At the top, there is a navigation bar with links: Dashboard, Contractors, Complaints, Tasks (which is highlighted with a red box), and Municipality Accounts. Below the navigation bar, there are three status boxes: 'Pending (23)' (yellow background, 23 tasks waiting for input/approval), 'In Progress (18)' (light blue background, 18 tasks successfully finished), and 'Emergency' (grey background, critical situations requiring immediate attention). The main area is titled 'Tasks' and shows a list of tasks with columns: Observation (checkbox), Contractor, Assigned by, and Status. Each task row includes an 'Edit' button. The tasks listed are: 2025031112012 (Contractor: Crona, Treutel and Lehner, Assigned by: Test User, Status: assigned), 2025031112010 (Contractor: Ziemann Group, Assigned by: Test User, Status: assigned), 2025031112011 (Contractor: Crona, Treutel and Lehner, Assigned by: Test User, Status: assigned), 2025031112006 (Contractor: Crona, Treutel and Lehner, Assigned by: Clara Zieme, Status: assigned), 2025031112005 (Contractor: Crona, Treutel and Lehner, Assigned by: Clara Zieme, Status: assigned), and 2025031112004 (Contractor: Lesch-Parker, Assigned by: Test User, Status: assigned).

Observation	Contractor	Assigned by	Status	Action
<input type="checkbox"/> 2025031112012	Crona, Treutel and Lehner	Test User	assigned	
<input type="checkbox"/> 2025031112010	Ziemann Group	Test User	assigned	
<input type="checkbox"/> 2025031112011	Crona, Treutel and Lehner	Test User	assigned	
<input type="checkbox"/> 2025031112006	Crona, Treutel and Lehner	Clara Zieme	assigned	
<input type="checkbox"/> 2025031112005	Crona, Treutel and Lehner	Clara Zieme	assigned	
<input type="checkbox"/> 2025031112004	Lesch-Parker	Test User	assigned	

Admins can assign tasks to contractors related to complaint reports, specifying which contractor is responsible for each task. The status of tasks can be tracked (Assigned, Completed, Rejected), and completion photos can be uploaded along with feedback messages from the contractors regarding the tasks they have completed.

AJMAL NEW FEATURES

The screenshot shows the Ajmal SA software interface. At the top, there is a navigation bar with five items: Dashboard, Contractors, Complaints, Tasks (which is the active tab), and Municipality Accounts. A red box highlights the 'Municipality Accounts' tab. Below the navigation bar, there are three status boxes: 'Pending (23)' (yellow background, 23 tasks waiting for input/approval), 'In Progress (18)' (blue background, 18 tasks successfully finished), and 'Emergency' (grey background, critical situation requiring immediate attention). The main area is titled 'Tasks' and shows a list of observations. The table has columns: Observation ID, Contractor, Assigned by, and Status. Each row includes a checkbox, the observation ID, the contractor name, the assigned user, and two buttons: 'assigned' and 'Edit'. The observations listed are: 2025031112012 (Crona, Treutel and Lehner, Test User, assigned, Edit), 2025031112010 (Ziemann Group, Test User, assigned, Edit), 2025031112011 (Crona, Treutel and Lehner, Test User, assigned, Edit), 2025031112006 (Crona, Treutel and Lehner, Clara Zieme, assigned, Edit), 2025031112005 (Crona, Treutel and Lehner, Clara Zieme, assigned, Edit), and 2025031112004 (Lesch-Parker, Test User, assigned, Edit).

	Observation	Contractor	Assigned by	Status	Action
<input type="checkbox"/>	2025031112012	Crona, Treutel and Lehner	Test User	assigned	
<input type="checkbox"/>	2025031112010	Ziemann Group	Test User	assigned	
<input type="checkbox"/>	2025031112011	Crona, Treutel and Lehner	Test User	assigned	
<input type="checkbox"/>	2025031112006	Crona, Treutel and Lehner	Clara Zieme	assigned	
<input type="checkbox"/>	2025031112005	Crona, Treutel and Lehner	Clara Zieme	assigned	
<input type="checkbox"/>	2025031112004	Lesch-Parker	Test User	assigned	

This feature allows the admin to create multiple admin accounts for municipalities, enabling access to the admin dashboard with various accounts.

...THANK YOU!...
